MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Awards Program of the Washington Chapter of Federal Government Accountants Association

1. This memorandum transmits a letter for the signature of the Deputy Director (Support).
2. The Agency has been invited to nominate candidates for the Second Annual Awards Program sponsored by the Washington Chapter of the Federal Government Accountants Association. Although this is announced as the second annual award, we have no record in the Office of Personnel of the Agency being invited to participate last year. The letter addressed to the Director from Mr. Alfred R. Golse, President of the Washington Chapter of the Accountants Association, and a brochure describing the awards program are attached.
3. Since these awards are presented only to individuals working in financial management areas, it was agreed that nominations should be selected only from appropriate Offices and Staffs in the DES. The Comptroller, the Chief of Audit Staff, and the Chief of Management Staff were sent copies of the awards announcement and were requested to nominate candidates, and all reported they did not wish to make nominations at this time.
4. A letter to Mr. Golse, stating the Agency will not nominate candidates this year is submitted for your signature.

Dear Mr. Golse:

The Director of Central Intelligence has carefully considered the invitation to nominate candidates for the Second Annual Awards Program sponsored by the Washington Chapter of the Federal Government Accountants Association and has decided that security considerations preclude our making nominations at this time.

We appreciate being given the opportunity to participate in this program and hope that at some future time we will be in a position to nominate some of our members for this honor.

Sincerely,

SIGNED

L. E. White
